

LOOK BUSY

Office Lingo Translator

POLITE PHRASE TO USE IN THE OFFICE	WHAT YOU ACTUALLY MEAN
You may be right	You're wrong
That's a good point	I <i>literally</i> just said that
I'll revisit it later	We're never speaking of that again
Thanks for that	<i>Enough</i>
I see your point	Shut up ya' little bitch
Yep	Shut the fuck up already
My calendar is up to date	How do you not know how to check for conflicts?
I'll take that into consideration	You're so full of shit
The schedule is tight	I'm balls deep
Let's take that offline	Blow me
We're on a tight deadline	Eat my ass
Let me check my sent emails	I think you're ignoring my email
I don't remember seeing that	I ignore all your bullshit email
I need to stretch my legs	I farted
I have to see a man about a horse	I have an equine fetish
I'm concerned about scope creep	Someone in the restroom gargles while watching me pee
I avoid analysis paralysis	I hate my job
Congratulations on your promotion	I hate my life
